⊙ AnotherGosu

PROFILE

Front-end web developer with a solid understanding of modern web technologies. Adaptable to various workflows and tech stacks, with a strong sense of responsibility and a commitment to delivering the best possible product to customers.

TECHNICAL SKILLS

- Proficient in developing (**Next.js**, **TypeScript**) and testing (**Cypress**) web applications

- Experienced in utilizing the React ecosystem to solve state management (**Redux**, **Zustand**), form validation (**React Hook Form**), data fetching (**SWR**, **Axios**) and other common problems

- Proficient in using CSS frameworks (**Tailwind**, **Styled Components**) and UI component libraries (**Chakra UI**, **Material UI**)

- Experienced in writing RESTful APIs (**Nest.js**, **TypeORM**) and database maintenance (**PostgreSQL**)

- Experienced in version control systems (**Git**, **GitHub**), CI/CD workflows (**Vercel**, **Netlify**) and design tools (**Figma**)

PROFESSIONAL EXPERIENCE

Full-Stack Web Developer

Chowis | South Korea, 2023 - Present

- Developed a back-office web application using **Next.js** and **Typescript**, providing inventory control, customer management, statistics overview and other functionalities for the internal team

- Designed and developed RESTful APIs with **Nest.js**, **TypeORM** and **PostgreSQL**

- Ensured application stability by writing end-to-end and integration tests with **Cypress**

- Maintained the code base and managed CI/CD processes using **GitHub** and **Vercel**

Front-End Web Developer

Emex | Russia, 2021 - 2022

- Developed an e-commerce platform using **Next.js** and **Typescript**, providing convenient browsing, searching and checkout processes to customers

- Implemented a smooth payment flow with **PayPal**, managing complex checkout state with **Redux**

- Ensured application stability by writing component unit tests with **Jest** and **React Testing Library**

- Managed deployment and testing workflows using **Azure DevOps**, and tracked important metrics and issues with **PostHog**
